*SYTC's Juniors Program*  
is available every weekday in July and August and has produced five student athletes who have received college scholarships in the past eight years.

## A Proud History

Nestled in a tranquil, wooded Mid-Cape setting since 1952, SYTC is a member operated, non-profit social organization with six meticulously groomed clay courts. Facilities include an on-site pro shop, court side patio, enclosed outdoor shower, and a recently renovated clubhouse with men's and women's restrooms.

*SYTC Offers*  
organized women's, men's and mixed doubles programs, match coordination, USTA league play, adult clinics & lessons, a vibrant Juniors Program, exhibitions and social events, and four-day advanced court reservations for members

## Did We Mention Socializing?

The club hosts many tennis and social events throughout the season including member-guest tournaments, the Woods & Whites Classic, and numerous luncheon, beverage and invitational events.
